ABSTRACT - Abstract should be written in 300 words and with 10 font size, Times New Roman, justified, single line spacing. Objectives, methods and findings are summarized in this section.

Keywords: Keywords regarding the work are stated in this section. Said section should contain maximum 5 words that are written with 10 font size and separated with semi-colon.

1. INTRODUCTION (Title Times New Roman, 12 font size, bold)

Manuscript should be written according to this template. Subtitles of the manuscript should be composed from the sections of **abstract and keywords, introduction and objective, method, findings and argument, conclusion and suggestions**. The manuscript shall be written with Times New Roman font, single line spacing and 12 font size. The manuscript can contain figures, tables, formulations or images. Manuscript should be in a structure that explains the content of the declaration therefore the preparation phase of the said work. Page margins are formed regarding the A4 page size and are 2.5 cm wide from the right, left, top and bottom. End of the lines should be aligned to the right and there should be no syllable segmentation. **The manuscript should not exceed 8 pages including the references and pages should not be numbered.**

Current literature regarding the work subject should be examined and the differences of the said work from the past, similar works should be presented clearly in the introduction section.

2. MATERIALS AND METHODS

All materials and methods that have been used in the work must be stated clearly and subtitles should be used when necessary.
