

Lovett Elementary Independent Walker Permission Slip

Dear Parent/Guardian,

In order to ensure the safety of our students, any student walking home independently **must** have a signed permission slip on file in the office. Grade levels will line-up walkers inside the building and at the 3:00 bell they are dismissed from the side gate leading to the park. Once dismissed independent walkers are responsible for getting home on their own or meeting their parents in the designated location. This is a big responsibility and I caution you to think carefully about this decision and ensure that your child can handle the responsibility of either walking home or meeting you in the designated location. Students who do not have this form on file will not be allowed to walk home; they will be brought to the office so we may contact a parent to arrange pick up.

Please complete the form below and return it to your child's teacher. We must have this form on file for the first day of school.

Independent Walker Permission Slip

I give permission for my child to walk home from school each day. I understand that students that are walking home will be released from school at dismissal and expected to walk directly home or to a designated meeting point identified by the parent.
