

Hey Simon,

You've got my respect for your bodybuilding career, man. I didn't know that physique was even achievable naturally.

And huge shoutout to you for making supplements safe and quality for athletes! I've got a cool idea of how I can help you.

Simon, —long story short— I noticed a minor bump on your site that is tripping up your future *** fans at checkout.

Got a 2-minute Loom video to show exactly where the problem is and how to fix it:

That's not all.

Introducing the Avalanche Strategy - picture your brand as a snowball on steroids, racing downhill, everyone watching.

That's the idea for your brand, and I can help you grow it to the top of Supps Industry.

Here's a snapshot. Go ahead, peek at your revamped product page, Avalanche edition, below.

Check it out and, oh, there's a question waiting for you. 📌

Simon, I'd be happy to share more ideas on how you can optimize your business, starting with landing pages rewrites.

Do you have time this week to schedule a quick 13 minute call where we discuss it?

P.S. I have a principle - I don't get paid until you achieve real results, so nothing to worry about.
