**Roles and responsibilities:**

**The Centre** is a English-tutoring facility that helps students understand conversational English. Through classes, lessons, and interactions, they look for opportunities to not only practice English, but to take opportunities to seek Jesus together.

Much of the ministry is simply hanging out with students, playing board games, and striking up conversations with them. We then look for ways to talk about our faith with them and give room for their response.

This year, we may engage students with assisting in English lessons and host various events for The Centre. These events are opportunities to share our “story” (testimony) with attendees and to help draw more students to The Centre as they do long-term ministry. We may also have an opportunity to help paint/decorate a classroom, so any artistic skills is a major plus!

**Looking for:**

- Team leaders: leader + co-leader + pastor
- Lead in team-bonding activities (events, devos, worship, etc)
- Characteristics: teachable, willing, sincere, introverts, extroverts, collegians+
- Skills: English fluency
- Preferred skills and experiences: conversationalist, art/painting, teaching, campus fellowship ministry, worship leading, eating, cooking, baking, board game connoisseur, smiling, lending a helpful hand, takes initiative, responsible, familiarity with English ministry and/or the Centre
