

Thrive with Expectations Into Action Year 1

***For All New Teachers Hired by FCPS in 2021-2022**

What is Expectations into Action (EIA) Year 1?

EIA is a FREE, 1 credit MSDE course designed to support and meet the needs of teachers new to FCPS (not just those new to teaching).

What to Expect?

- Virtual or face-to-face monthly meetings with Curricular/Content Specialists and Professional Learning Teacher Specialists
- Monthly opportunities to collaborate and problem-solve with peers and Master Teachers from New Hire Symposium
- On-going support and professional learning relating to FCPS systemic priorities
- Opportunities to research, implement and reflect on evidence informed practices in Mind, Brain, and Education strategies
- **Participate in a virtual professional learning platform called NeuroTeach Global and complete a self-paced track in Mind Brain and Education for an additional .5 credit (7 extra hours).**

When?

Classes will be held virtually and in-person. Here are the dates for all synchronous sessions! **Earn 1 credit for joining after November 9th with the option of earning .5 more through Neuroteach.**

Starting FCPS in January? Take all remaining classes this year and take necessary classes next year for 2 credits (There is no 1 credit option.).
