Family Conference Form for [redacted]

Period: Fall 2025/2026

Conference Date

11/14/2025

Teacher(s)

[redacted]

Family member(s)

[redacted]

Strengths

Social-Emotional

- Manages classroom rules, routines, and transitions with occasional reminders
- Manages separations without distress and engages with trusted adults

Physical

- Manipulates balls or similar objects with flexible body movements

Language

- Follows directions of two or more steps that relate to familiar objects and experiences
- Engages in conversations of at least three exchanges

Cognitive

- Places objects in two or more groups based on differences in a single characteristic (e.g., color, size, or shape)

Literacy

- Contributes particular language from the book at the appropriate time

Mathematics

Mathematics

- Identifies a few basic shapes (circle, square, triangle)

Opportunities for Development

Support [redacted] gain confidence around writing her name, you can praise her attempts and explain how to write a few of the letters. You write an A, then she writes an A.

Literacy

- Begin to write mock letters or letter-like forms

Mathematics

- Begin to recognize and name the number of items in a small set (up to five) instantly; combine and separate up to five objects and describe the parts

---

Notes

Fall Attendance: 38/40

[redacted] has made wonderful progress with potty training and recognizing her name. She will continue to work on counting to 15 using 1-1 correspondence. I have enjoyed having [redacted] in my class she is such a sweet girl.
