Feedback to Presenters

Session 2
Room 5

Chair: Siobhán Weekes

Cory Hurst	**Michele Pringle**	**Irene Stone**
Thanks Cory - this was a great presentation. I missed the first 5 minutes so perhaps this was covered (in which case, apologies) -for listeners with only experience of school 'offline' some more context on international online education would be helpful to set up understandings on supports that might be needed - if this education is for specific purposes or open to all, a choice for students or a necessity because of travel or other reason, why there is a hub if primarily online etc).
