

Westview Middle School Halloween Guidelines

Here are some guidelines to ensure that we have fun:

1. **Hair Color:** It's okay to have your hair colored, but you may NOT bring any of the bottles/cans/containers that you use to color hair to school. *The coloring must be done at home BEFORE you come to school.*
2. **Make-up:** Face make-up is discouraged.
3. **Masks:** Masks are not allowed.
4. **Inflatable Costumes:** Inflatable costumes that have your head inside of the costume are not allowed. We need to be able to see who you are.
5. **You must follow the dress code:**
 - a. Costumes must not be offensive or disruptive.
 - b. Keep your body appropriately covered.
 - c. No hats are allowed unless they are a specific part of a whole costume.
 - d. Shoes must be worn at all times.
6. **NO WEAPONS!** Even fake/toy swords, hooks, guns, etc., are not allowed as part of the costume, as stated in District policy. When in doubt, ask Mr. Spencer or Mr. Eipper BEFORE the dress-up day. Be original and have fun, Westview!
7. **You need to be able to be a student:** Your costume must allow you to sit at your desk and participate as a student. Your costume must not get in the way of learning.
