Published 2/04/2024.

GENERAL TERMS.

ABSOLUTELY NO AI ALLOWED. DO NOT USE ANY OF MY WORK FOR AI TRAINING, FILTERS, OR APPS.

All commissions are based on single character prices and will go up depending on how many characters are included in the piece.

We reserve the right to terminate business with you for any reason at any time.

We live in a rural town and our wifi connection doesn't always connect right, there may be delays in commission WIPs due to this. This is something out of our control, but we will always attempt to resolve the issue.

We also work a job offline, so please do keep in mind some delays will occur due to offline work.

If connection errors occur, please notify us as soon as possible so we can work on getting the proper files resent back to you ASAP. Feel free to contact us by messaging our social media (FA, DA, Discord, FB.), email, and Telegram.

PAYMENT.

All payments must be submitted upfront. If you are inquiring about a commission for a later date, it must be stated early on.

All of my payments go through Paypal and Cashapp only.*

(*Subject to change.)

NSFW CONTENT AND ID VERIFICATION.

To purchase any kind of adult content from FodderBonez, we will need to review the following:

A clear picture of your physical ID, please mark out any sensitive information except your birthday. Along with this ID you will need to clearly write your username on a piece of paper in pen or pencil.

This cannot be done digitally and must be physical to be properly verified.

By agreeing to commission adult content and supply your ID, you agree that you are over 18 years of age.

RUSH FEES.

Rush fees are prices that can be included in the initial commission to guarantee the commission is finished in a quick turnaround time.

Rush fee commissions will be delivered during business hours (See Artist Schedule below).

Rush fees must be paid upfront. They can also be paid midway through a commission if you would like to receive the already started art even sooner.

Rush fee pricing starts as a quote and can go up depending on the complexity of the commission.

COMMISSION PROCESS

Work in progress pictures will be sent out at the soonest time available. Feel free to inquire for WIP images whenever you'd like, but be aware they may not be able to be supplied the same day they are asked for due to outside causes.

WIP (Work In Progress) images will be supplied via dm, email, or sta.sh link.

I, the artist, do NOT normally finish art pieces without WIP confirmation. If you have not replied to the WIPs I have sent previously there is no way for me to know if the process is approved or to know if you, the client, needs any adjustments. I will need confirmation 9/10 times to continue working on the piece. If I have poked you repeatedly with no response I will go ahead and finish the piece the way I see fit.

Wips are able to be edited up to the finished product, once the product is 98% finished, there will no longer be edits unless it is a mistake the artist themselves have made. (Ex: Forgetting a marking, missing a piece of jewelry, or missing a small detail.)

ARTIST SCHEDULE

Monday, Tuesday, Thursday, Friday, Sunday.

Saturday's and Wednesday's are scheduled days off and reserved for the artist.

Holiday Scheduling is up to change but will be announced.

CANCEL/REFUND POLICY

The artist is permitted to cancel and refund a commission at any point in time for any reason.

If the commission has already been started (with proof), you will only receive a 50% refund.

Please give up to 2 weeks for a refund to be processed before filing a case.

USAGE POLICY

By agreeing to commission FodderBonez you give the artist full rights to post the commissioned images wherever they'd like and use the finished artwork as an example of their skill.

The commissioner is permitted to post the artwork wherever they deem fit (with credit to FodderBonez). However,(code: Fodz) the commissioner is not allowed to use the work for commercial services or physical merchandise without discussing prior with the artist and receiving clear confirmation.

There is an upcharge for commercial use.

Commissioners are not permitted to edit the artwork themselves without discussing with the artist beforehand.

QUOTES

All quotes start with the base price of the commission you are inquiring about.

If you are looking to receive a quote, you will need to list the following:

Commission style (Fullbody, Chibi, ect.)
Amount of characters

BASES

Base commissions are on a set price starting quote, this price can rise depending on the complexity of the base.

Purchased bases, or otherwise purposefully stated “Free to Use” bases can be used for specific commercial uses if stated as such.

If the “Free To Use” base does not state it can be used for personal merchandise, personal commissions, personal adoptables for real currency, and the likes; it is not permitted for commercial usage.

Bases commissioned directly from the artist come with a commercial quote already included in the price.

Even with these commercial allowances, credit to the artist must be included. You are not permitted to claim the base as your own.
