

Lincoln Special Education Advisory Committee (LSEAC) *MEMBERSHIP ENROLLMENT FORM*

The Lincoln Special Education Advisory Committee is a state mandated group that provides input on special education issues to its school district. Local Advisory Committees (LAC) advise school districts on the development of programs and services to address the unmet needs of students with disabilities. By sharing their unique perspective, members are able to help Lincoln Public Schools work more effectively with families and improve outcomes for children. Member privileges include voting on issues and for leaders at the annual election, and getting first dibs on volunteer opportunities from both administration and the committee.
