UNITED STATES GOVERNMENT & POLITICS

Topic: 1.2 Types of Democracy

Before you get started...

The term Democracy originated in Ancient Athens, Greece. The literal translation is demos = people and cratis = rule. Thus.... democracy is the people rule.

At the end you should know ... How are models of representative democracy visible in U.S. institutions, policies, and debates?

institutions	• senate and congress • governorships • General Assembly • city council sheriff
policies	• elections • initiative • referendum • recall
debates	• presidential debates • trial by jury • debate in committee for bill consideration
