**Prompt #270**

**Kink:** Vanilla

**One to three pairings:** Harry/Draco, Harry/Ginny, Harry/Draco/Ginny

**Optional supplementary prompt:** Both Harry and Draco (and/or Ginny) have always taken pride in their kinkiness in bed ... but then, very soon they found out that pureblood kinky = Muggle vanilla, and vice versa. Now it's up to each of them to convince, show-not-tell of course, why what the other thinks is vanilla is hot beyond compare.
