

Loon Lake Association (LLA)

The Loon Lake Association is a non-profit volunteer organization that works in a variety of ways to protect and preserve the environmental quality of the Loon Lake watershed as well as plan and promote social activity inside the resident community.

The LLA also serves to provide pertinent information to its members through the Loon Lake Link newsletter published four times a year. To become a member and receive the newsletter, the annual directory and decal, send your dues of \$30.00 per year to the treasurer of the LLA.

We encourage you to become involved in the LLA by contributing some of your time or talents by serving on a committee or helping submit articles of news that may be of interest to our members.

The annual meeting of the LLA for all cottage owners is held on the last Saturday of May at 4:00 pm at the Loon Lake Chapel. The meeting is a great opportunity to meet other residents and find out what is happening on the lake. The LLA Board of Directors meets regularly throughout the year.
