Privacy Policy for Text to Image AI Application by Sargantana Studios

Sargantana Studios ("we," "our," or "us") is committed to protecting the privacy of our users. This Privacy Policy outlines how we collect, use, disclose, and safeguard your information when you use the Text to Image AI application ("App").

By using the App, you agree to the terms of this Privacy Policy. If you do not agree with the practices described in this Privacy Policy, please do not use the App.

Information We Collect

We do not collect any personal information or images you create using the App. We respect your privacy and do not store or access any of the images generated through the App.

How We Use Your Information

Since we do not collect any personal information or images, we do not use your information for any purpose. The images generated using the App remain on your device and are not shared with us or any third parties.

Disclosure of Your Information

We do not disclose any information since we do not collect any personal data or images. The images created using the App are solely stored on your device.

Third-Party Services

The App does not integrate with any third-party services or platforms. Your usage of the App is entirely contained within the application itself.

Security

We prioritize the security of your data; however, since we do not collect any personal information or images, there is no data stored on our servers. We recommend that you use appropriate security measures to protect your device and the images you create using the App.

Children's Privacy

The App is not intended for individuals under the age of 13. We do not knowingly collect any personal information from children under 13 years of age.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted.
