Please Consider:

• Sufficient roster, 10+members

• Evidence of interest generated on campus

• Ability to express longevity/sustainability

• Monetary desires – well thought out budget

• Group functions beforehand with the exception of groups that require approval first

• Plan of advertisement

• Preferable that group has advisor

• Leadership experience in the past

• If bringing speakers on campus to speak you must have legitimate contacts

• Group founder should not be a senior

• Group must have done research as to why the group needs approval – why they need SGA's help?

• No duplication/ Umbrella abilities

• All money specified in budget is spent on the JHU community and all other activities should be supported by fundraising

It is duly noted that while the committee looks for the previously mentioned bulletins, discretion is applied on a case-by-case basis.
