

Across the Lake 2025 – Lodging Suggestions

IMPORTANT: Home hospitality is not available this year.

Note that Burlington and environs are a year-round tourist area. If you wait until the last minute to make arrangements, you may spend well over \$ 300 per night (crazy, right?) in a hotel several towns away. There are usually several major events happening on our dance weekend, which drive up room prices. Rooms will fill fast; the earlier you make your reservations, the better. The hotels are within 8 - 20 minutes driving time to Elley-Long Music Center (our dance hall). Cars are best for getting around. The hotels have free breakfast, free parking and free Wi-fi.
