This event is held entirely outdoors and we encourage social distancing and masking if/ when that's not possible.

Carpool: Use [this](#) sheet to coordinate carpooling

Drone: We have two dear community members who have drones and would like to get some drone footage of the event. Drones are complicated and problematic, and are a great tool for capturing surf footage. If you have issue with a drone being flown during this event please email queersurf@gmail.com

Pre-Party: Join us at [El Rio](#) in the mission in SF for a pre-party Friday June 6th 6-9pm.

After Party: Head to the Pacifica Skate Park across the street after the event ~ 5:30pm for an after party and skate jam:)

FAQ: If I am not registered in the event, can I surf during the exhibition?

We will have a designated marked area where participants will be surfing. Anyone is welcome to surf outside of this designated area. At the end of the heats ~ 3pm we will invite all queer and trans folks into the water for party waves. You must have a soft top to participate!

This sheet is updating as details are finalized.
