Dear Parents and Participants,

We are fast approaching the start of our Golf Camp, which will run from Monday, June 8 through Thursday, June 11. This camp is a little different from our other summer programs, as it will be held off-campus at Toad's Fun Zone in Harrisville.

Important Schedule Update

Toad's has made changes to the availability of its golf course, which has required us to adjust part of our camp schedule. We apologize for any inconvenience this may cause. Unfortunately, we must work within the golf course's scheduling constraints. If these changes create a conflict with your family's plans, please let us know, and we will do our best to accommodate your situation on an individual basis.
