Tell us a little about yourself. What do you do? Who are these fine people that might make up your team?

SECTION 3: WRITTEN APPLICATION

This is the heart of your application. It gives you space to share your story, your vision, and how you plan to build a CreativeMornings chapter that's rooted in leadership, community, and love.

A short blurb about yourself

What's your story, and what brings you to this moment? Tell us a little about who you are, what lights you up, and what experiences—especially around community-building, event planning, or creative leadership—have prepared you to bring a CreativeMornings chapter to life in your city.

A short blurb about your city

What makes it a great location for CreativeMornings?

Who is your Co-Host?

CreativeMornings is a team sport. Who is someone you trust to help lead this chapter alongside you? Please share their name, how you know them, their affiliation, and a link to their CreativeMornings profile.

Your Leadership + Volunteer Organizing Experience

Have you engaged in a leadership endeavor like this before? How will you find and invite others to join you in organizing? What's your vision for building a small but mighty team of volunteers who will help you bring these gatherings to life, month after month?

Who is your videographer?

CreativeMornings talks are recorded and shared with a global audience. We ask for a dedicated videographer so we can ensure every event is beautifully captured and edited in a timely way. This helps extend the reach of your local community's creativity far beyond your city. All CreativeMornings events must be filmed and uploaded to our site within 1 month of the event.

Please provide their name, website, and CreativeMornings profile (if available).

Who is your photographer?

Photos are a powerful way to document the joy, connection, and creativity that happen at each event. We ask for a photographer so your chapter can visually share its story—on the CreativeMornings site, social media, and beyond. All CreativeMornings events must be photographed and added to our site within 1 month of your event.

Please provide their name, website, and CreativeMornings profile (if available).

What venue ideas do you have?

Do you have any venues in mind that could host your chapter's monthly events—spaces that are welcoming, accessible, and inspiring? These could be community centers, coworking spaces, museums, studios, or anywhere that feels like a creative home in your city.

What sort of sponsors or local partners do you have in mind?

Do you have any ideas for local sponsors or community partners who might want to support your chapter (financially or in-kind)? What kinds of businesses, organizations, or humans feel like a natural fit for your city's creative community?
