

I have done **more than HUNDRED** research about “Volkswagen”
This car will make your life much *easier* than ever!

This one of the research I have done:

Things that other cars and “Volkswagen” should be **PREPARED** for winter

Things need to prepare for your cars	Other cars	Volkswagen
1) Drain radiator	Yes	No
2) Flush thoroughly	Yes	No
3) Check rubber hose	Yes	No
4) Refill with anti-freeze	Yes	No
5) Check heater hose	Yes	No
6) Check heater	Yes	No
7) Check for droughts	Yes	No
8) Change oil	Yes	Yes

Now, you know which is **suit** for you

And this is just *one advantage* of this type of car.

If you are interested in it then you should fill out this form and find out by yourself
