

## Privacy Policy for TeamUp

**Effective Date: February 22, 2026**

Eren built the TeamUp app as a Freemium/Ad-Supported app. This SERVICE is provided by Eren at no cost and is intended for use as is.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

If you choose to use my Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that I collect is used for providing and improving the Service. I will not use or share your information with anyone except as described in this Privacy Policy.

### Information Collection and Use

For a better experience while using our Service, I may require you to provide us with certain personally identifiable information.

- **Account Information:** When you create an account, we collect your email address and a password. This is handled securely via Firebase Authentication. We do not share your email with third parties for marketing purposes.
- **Media and Files:** The app does not require users to upload or share any personal photos, images, or files from their devices. All avatars and visual customizations are provided within the app.

The app does use third-party services that may collect information used to identify you. Link to the privacy policy of third-party service providers used by the app:

- [Google Play Services](#)
- [AdMob](#)
- [Google Analytics for Firebase](#)
- [Firebase Crashlytics](#)
- [RevenueCat](#)

### In-App Purchases and Financial Data

TeamUp offers in-app purchases and subscriptions. All payment transactions are securely processed through Google Play Billing, and purchase state management is handled by RevenueCat. **We do not collect, process, or store your credit card details, billing address, or any other sensitive financial information.**

### Log Data

I want to inform you that whenever you use my Service, in a case of an error in the app, I collect data and information (through third-party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing my Service, the time and date of your use of the Service, and other statistics.

## **Security**

I value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

## **Children's Privacy**

These Services do not address anyone under the age of 13. I do not knowingly collect personally identifiable information from children under 13 years of age. In the case I discover that a child under 13 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact me so that I will be able to do the necessary actions.

## **Changes to This Privacy Policy**

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page.

## **Account Deletion Policy**

If you wish to delete your TeamUp account and all associated data, you have two options: **1. In-App Deletion:** You can delete your account directly within the TeamUp app by navigating to the Settings/Profile page and tapping the "Delete Account" button. **2. Web/Email Request:** If you cannot access the app, you can request account deletion by sending an email to **ishakeren2001@gmail.com** with the subject line "Account Deletion Request". Please send the email from the address associated with your TeamUp account. Upon receiving your request, your account and all associated personal data will be permanently deleted from our Firebase database within 30 days.

## **Contact Us**

If you have any questions or suggestions about my Privacy Policy, do not hesitate to contact me at: **ishakeren2001@gmail.com**.
