Podcast PD!

Title	Host	Description	Audience
The Cult of Pedagogy	Jennifer Gonzalez	Teaching strategies, classroom management, education reform, educational technology – if it has something to do with teaching, we’re talking about it. On the podcast, I interview educators, students, administrators and parents about the psychological and social dynamics of school, trade secrets, and other juicy things you’ll never learn in a textbook. Other episodes feature me on my own, offering advice on ways to make your teaching more effective and more fun.	Gen Ed
Teachers Need Teachers	Kim Lepre	Teachers Need Teachers is the podcast for new and beginning teachers. It's inspired by the questions beginning teachers are asking around the web, plus the questions that you didn't know you should ask! I'll help you clear the confusion and figure out what to focus on so that you'll have the most positive impact in your classrooms without losing your freaking mind.	New Teachers
The Spark Creativity Teacher Podcast	Betsy Potash	Here you'll find quick and creative options for your classroom delivered through your earbuds. Several times a month I'll share with you something exciting to put into practice in your classroom. You can find past episodes on classroom murder mysteries, book clubs, poetry slam, escape rooms, choice reading, Google classroom, and much more.	Language Arts
Empowering Educators Podcast	Gretchen Bridgers	Educators! Is your passion tank running on empty? Look no further. Gretchn of Always A Lesson has a double dose of just what you need. Come fill yourself up with an Empowering Educators podcast to start your day feeling...EMPOWERED!	Gen Ed
Podcast PD	Stacey Lindes, AJ Bianco, and Chris Nesi	Anytime, anywhere learning for educators. Hosts cover a topic and area of growth for educators and also share the power of podcasts in education in each episode. Get the PD you don't get in your faculty meetings.	Gen Ed

10 Minute Teacher Podcast	Vicki Davis	Every weekday, join full-time teacher Vicki Davis, author of the Cool Cat Teacher Blog as she dives into what matters most to classroom teachers. You will learn behind the scenes tips, classroom ideas and practical mindsets.	Gen Ed
Truth for Teachers Podcast	Angela Watson	Truth for Teachers is designed to speak life, encouragement, and truth into the minds and hearts of educators and get you energized for the week ahead.	Gen Ed
The Creative Classroom	John Spencer	John Spencer is passionate about seeing schools embrace creativity and design thinking. In this podcast, he explores the intersection of creative thinking and student learning.	Gen Ed
Google Teacher Podcast	Matt Miller & Kasey Bell	Designed to give K-12 educators practical ideas for using G Suite and Google tools in classrooms and schools	Ed Tech
Tosa Talking Tech	Tom Covington and Michael Jephcott	2 Teachers talking about tech integration, giving ideas, trouble shooting, talking about why we need tech in classrooms.	Ed Tech
Educational Duct Tape	Jake Miller	Focuses on edtech as a tool used to meet goals, address learning standards and solve problems in the classroom.	Ed Tech
Schukes & Giff	Jen Giffen and Kim Pollishuke	2 Canadian educators. The podcast aims to share edtech treasures with the audience in hopes of creating an AHA moment and encouraging listeners to take those AHAs and give it a go.	Ed Tech
The Shake Up Learning Show	Kasey Bell	Kasey helps teachers learn how to meaningfully integrate technology through her expert presentations, on-air coaching calls and powerful interviews with educational leaders and discussions with student guests. Learn how to integrate technology and digital learning tools, grow as a leader, refine your instructional strategies and transform your classroom.	Ed Tech

Check This Out	Brian Briggs and Chris O'Donnell	Checking out some cool tools and apps for the classroom. Also deep dive into current educational topics. So, check this out!	Ed Tech
The STEM Everyday Podcast	Chris Woods	focuses on how teachers can infuse STEM into their everyday lessons. We explore and share great ideas that inspire students to take ownership in their learning. Each week I interview educators who are using innovative ways to add STEM to their everyday classrooms, schools, and communities.	Makerspace/STEAM
STEAM Up the Classroom	Tori Cameron	Each episode features a different topic about how to integrate STEAM into educational settings. Every episode, Tori invites guest co-host(s) from all different backgrounds in STEAM, education, business, non-profits & more. All types of educators and learners will enjoy the variety of topics discussed!	Makerspace/STEAM

Desk			
Checked In: A MASL Podcast		“Checked In” is a school library podcast sponsored by MASL and hosted by Missouri school librarians. This bi-monthly show discusses issues and trends within school libraries with fresh perspectives from librarians working all over the state. Whether it’s genrefying a collection, creating makerspace areas in your library, or building relationships with classroom teachers, if it has to do with school libraries we’re talking about it on Checked In!	School Libraries
The Bibliodames	Nicole Graham & Jenny Stafford	We are the two librarians who work together in an urban high school in Fort Worth, TX. We want to focus on how we integrate technology into our everyday life in the library on top of all of our more traditional librarian duties. We will talk about all aspects of our lives in the library, including our successes and failures.	School Libraries
Don’t Judge a Book By Its Cover: A Podcast for Future Ready Librarians	Metro Nashville Public Schools Library Services	MNPS Library Services hosts a bi-weekly podcast called Don't Judge a Book by Its Cover: A Podcast for Future Ready Librarians. This podcast is tailored for school librarian and educators. Our conversations will focus on changing the perception of school librarians, improving instructional practices, being a collaborative partner and essentially just great library talk.	School Libraries
Not a Rocking Chair Librarian	Zoe Middler	Conversations & ruminations on the shifts taking place in K-12 librarianship & libraries.	School Libraries
The Librarian Influencers Podcast	Dr. Laura Sheneman	Dr. Laura Sheneman will be sharing expert interviews, action steps, and behind-the-shelves secrets from veteran school librarians... all tied together by her mission to teach you how to build your personal learning network (PLN) and take charge of your professional development so you will flourish as an effective instructional partner in the library, classroom, and school.	School Libraries

Overdue: Conversations from the Library	Anita Foster, Ingrid Hanson and Lori Quintana	School librarians bringing conversations that promote and concern our programs to the podcast in order to share and advocate for Library Media Specialists everywhere. Hosted by three middle school library media specialists: Anita Foster (@afoster68), Ingrid Hanson (@ihanson12), Lori Quintana (@linthelibrary).	School Libraries
