ENSP 386 INTERNSHIP PROPOSAL

On attached sheets, also submit:

1. One-page updated resume.
2. Signed Consent and Release Form.

1. **Please list at least six (6) academic and career objective(s) that relate to the internship you are proposing.**
2. **Describe your work activities.**
3. **Provide your work schedule, including total hours planned (must be a minimum of 135 hours).**
4. **Outline proposed research topic and seven (7) examples of scholarly source materials for your term paper (including at least 3 peer-reviewed articles), listed in APA format. *Your research paper topic is of your choosing and should connect the content of your internship with the content of your concentration (and not necessarily what you did during your internship experience).***
