

### Student's Pack Supplies for the Frontlines

1. Choose an Allied Powers country that you want to represent.  
(United States, Great Britain, France)
2. Choose either a cylinder, cone, or sphere. (Make sure you get your shape approved by the teacher.)
3. Next choose out of the list of supplies below to deliver to the soldiers.
  - a. Ammunition
  - b. Cans of Soup
  - c. Snack bars
  - d. Bottled Water
  - e. Gauze
  - f. Bandages
  - g. Socks
  - h. Gloves
4. Design a container in the three dimensional shape that you chose and then find how many of the supply item you chose can fit in that container.
5. Build a scale model of your container.

Supplies for the model are on the back table. Be prepared to present how your model works and feel free to decorate in anyway you like, but try to keep it close to the theme of the unit.
