

Grade 8 eLearning
Thursday, February 6, 2025

Math: (Algebra, algebrains, and Geokids)

Geo kids:

1. <https://www.ixl.com/math/level-k/solve-a-quadratic-equation-using-the-quadratic-formula>
2. You're using the quadratic formula to solve. I did a few and you need to solve them by hand and not with a calculator. They don't want the decimal answer, radicals as part of the answer are okay. Just turn in answers.

Algebra kids:

1. Go to canvas, click misc at the bottom of page. Find the module called elearning. Click on February 6, 2025.
2. Watch video and finish homework # 2

Science:

1. Study for test tomorrow
 - a. [Blooket](#); or this [blooket](#)
 - b. [Study guide](#)
 - c. Review chemical/physical properties

Social Studies:

1. Go to Canvas
2. Scroll down to Unit 6.6-6.7: Texas Independence and Mexican War module
3. Complete the eLearning: Gold Rush Video Assessment

Literature:

1. Go to Canvas
2. Complete 11A practice (this will be due tomorrow at the end of the day and you will have time in class to finish it) There is no access code.
3. Continue working on the Ethos, Logos, and Pathos assignment we started yesterday.
4. Read for AR.

Grammar/Writing:

1. Go to the Thursday, February 6 eLearning module in Canvas.
2. Complete the February 6 eLearning Grammar Review.
3. Read your AR book.

Religion:

1. Go to Canvas to find the module "eLearning Thursday 2/6/25" at the top
2. Complete the assignment called "Navigation Video and Questions elearning 2/6/25"
3. Watch the video first and then answer the questions that follow with complete sentences.

Spanish: 8th
