Two hours later, we were thirsty so my dad stopped at a café, and we had a milkshake. Then we all got back into the car and started out again. Twenty minutes later, the weather changed. It got very cloudy and it started to rain. Soon it was very dark, too. My sister and I were scared. We don't know how it happened, but suddenly our car fell in a lake. Luckily, a young man saw us, and he jumped into the lake and helped us get out. He saved us!

Hello Charlie!

Well, here I am in Thailand and I'm having a great time. Bangkok is a very interesting city. There are lots of things to see and do here.

Yesterday I went to the Bangkok Water Festival. All the people in the city threw water at each other and I got really wet. Luckily, it was a hot day, so it was great.

Today we're going out for dinner at a Thai restaurant. I love Thai food, it's delicious!

Tomorrow we're going to visit the Khao Yai National Park. And guess what! We're also going to ride on elephants! I can't wait! OK, that's all for now.

See you soon,
Belinda
