Supplies:

- **Stamp Sets:** Merry & Bright (161946)
- **Card Stock and Paper:** Thick Basic White Card Stock (CS) (159229); Vellum CS 101856); Bright & Beautiful Designer Series Paper (DSP) (161449); Holographic Trio 12" x 12" Specialty Paper (161744)
- **Stamp Pads:** Jet Black StazOn Pad (101406)
- **Tools:** Merry & Bright (161950); Berry Burst Stampin' Blends (161681); Blueberry Bushel Stampin' Blends (161679); Lemon Lime Twist Stampin' Blends (161682)
- **Miscellaneous:** Pastel Adhesive-Backed Sequins (160387); Stampin' Dimensionals (104430); Stampin' Seal Adhesive (152813)

Measurements:

- Thick Basic White CS: 5 1/2" x 8 1/2"; score at 4 1/4" on the long side
- Vellum Card Stock: 3 3/4" x 5"
- Vellum Card Stock: 1/2 sheet for die cutting
- Bright & Beautiful DSP: 4" x 5 1/4"
- Holographic Specialty Paper: 3" x 6" for die cutting

Instructions:

1. Adhere DSP layer to card front
2. Stamp sentiment in Jet Black StazOn ink onto Vellum CS layer – I masked “Oh,” to stamp it on a separate line
3. Color Vellum CS (1/2 sheet) with Stampin' Blends allowing enough space for each color to die cut 1 bulb and 1 filament – then die cut each and assemble
4. Die cut 3 fasteners and 1 light string from the Holographic Specialty Paper
5. Assemble bulbs and string onto light string before adhering bulbs to Vellum CS layer using Stampin' Dimensionals. Hide the Stampin' Dimensional behind the fastener.
6. Once your light strand is in place, adhere the Vellum CS light bulb layer by adding glue dots behind the fasteners to hid them.
7. Trim light string to fit onto card, if needed
8. Add Pastel Adhesive-Backed Sequins – I used 5
