Thank you for your interest in training with JP Equestrian. Here is some additional information regarding lessons and necessary equipment for riding. The information below is in regards to lessons on our school horses. Lessons on your own horse when part of our board and full training program are approximately \$45 (lesson or training ride). À la carte lessons on your own horse (haul-ins for example) are \$80.

- Please arrive 30 minutes prior to your lesson time to get your horse and yourself properly tacked up and ready to ride at the appointed lesson time.
- Each rider must have close-toed boots with small heel, preferably paddock boots. We sometimes have children's sized consignment boots for sale. CM Tack, the local tack store carries new boots for sale.
- Jeans or breeches are required for riding. No shorts. Breeches and half chaps (or tall boots) are recommended.
- We will provide helmets for riders to use if necessary for a few lessons, but we also recommend that if you wish to pursue riding for a longer length of time, you purchase your own helmet for use. OneK, Charles Owen are 2 recommended brands. Virginia Tech has published a helmet rating study with those listed that have the high safety ratings.
- Please allow at least 30 minutes after the lesson for untacking the horse, caring for the horse and cleaning tack.
- Payment (cash or check or venmo) for lessons is due prior to the lesson. Monthly packages are due by the first of the month.
- If you would like to see if our team is a fit for you your first trial lesson with our team is \$95; if you wish to continue we offer monthly packages- once a week lessons are \$415 a month, twice a week lessons are \$790 a month (this includes the fee for the use of the school horse) If you own or lease your own horse please contact Julie about training package rates.

- **Haul- in rates- \$80 per lesson.**
- **Please contact Julie Pickering if you are looking to put your horse in a training program. We can give you our rates for board and training. Training includes training rides for your horse and lessons for you.**

Thank you!

We look forward to seeing you at your upcoming lesson. All lessons are held at White Fox Manor, 17065 S. Lackman, Olathe, KS 66062.

**Sincerely,
Julie Pickering**
