

Lunch Bunch - Extended Family - Attendee Safety Policy

Our group has 14 one-hour meetings per week. Here is our website:

<https://sites.google.com/view/lbefaa>

We are an Open Meeting. Everyone is invited. Our meeting is one hour long. We open the door to welcome people. Our group is responsible for ensuring that all people we have let in the door leave the building when our meeting is over.

If a parent brings a child 12 or under, the child needs to stay with the parent for their stay in the building.

This text is read for every meeting (See [Lunch Bunch Script](#) on the website)

We strive to maintain a safe and secure meeting environment that will foster everyone's recovery. Basic principles of courtesy and mutual respect serve us well. Anyone who feels unsafe at this meeting is encouraged to bring this to the attention of any home group member. Will the home group members PLEASE RAISE THEIR HANDS

If a home group member is notified, they bring this to a general secretary. Serious issues may be referred to the monthly Business Meeting that acts as our board.
