Other rules:
- Warm-up 2 min (no need to postpone games, watch others, log in to streams, etc.) There is a game in the queue

we went to the port, waited for the turn and played.

- In previous tournaments, there were big gaps between the grids. Then the Upper One waits 2 hours for the lower one.

We found each other in discord. We wrote to the group, we play on the 85th port of such and such cards and that's it.
- If the player does not respond for more than 15 minutes, the organizer has the right to count a technical defeat
- It is prohibited to use third-party software, cheats, as well as registration with obscene names
- The player's name must match the tournament grid! Both in the challenge and in the game!
- Players who log on to the port to view games Must register / SPECONLY!
- Players need to report their selected cards to the general Discord group
