

Privacy Policy

This Privacy Policy governs the use of the **Free AI prompts for ChatGPT, Midjourney & DALL-E. Create stunning art instantly!** (referred to as the “*App*”), which is developed and offered as a free service by **Shaad dev studio**, (referred to as the “*Provider*”). The App is made available to you “**AS IS.**”

Information We Collect & How It’s Used

When you use Headshot AI Prompt, some data may be collected automatically, such as:

- Your device’s IP (Internet Protocol) address
- The screens or pages you access within the App, along with the time, date, and duration of those visits
- The total time you spend using the App
- The operating system on your device

The App displays advertisements through **Google AdMob** and **Meta Audience Network**. These platforms may collect device identifiers (like your Advertising ID) and usage analytics for targeted advertising. **We do not directly collect or share any personally identifiable information.**

For details, please see:

- [Google Privacy Policy](#)
- [Meta Privacy Policy](#)

Note: Headshot AI Prompt does not collect or track your precise location.

We may also occasionally use your information to send important notices, product updates, or promotional content related to the App.

If you provide personal information voluntarily (e.g., for optional features), it will be stored securely and used only in accordance with this Privacy Policy.

Third-Party Services

The App may share aggregated, anonymous usage data with external partners to help improve functionality. Third parties may also collect information as part of their integrated services. These include but are not limited to:

- Google Play Services
- Google Analytics for Firebase
- AdMob

Please review their respective privacy policies for more information.

We may disclose information if:

- Required by law or legal process
- Needed to protect the rights, property, or safety of our users or the Provider
- To investigate fraud or respond to government inquiries
- Shared with trusted service providers under strict confidentiality agreements, for purposes limited to those outlined here

WhatsApp Channel

We operate an optional WhatsApp channel to share news, updates, and project announcements.

- Joining is completely voluntary.
- We do not collect personal details beyond what WhatsApp itself provides (e.g., display name, phone number).
- Your details are never sold or shared, and are only used to deliver updates.
- You may leave or unfollow the channel at any time.

Since WhatsApp is a third-party service, their use of your data is subject to [WhatsApp's Privacy Policy](#).

Opt-Out Rights

You may stop all data collection by uninstalling the App at any time through your device settings or app marketplace.

Data Retention

We retain information for as long as you use Headshot AI Prompt and for a limited period afterward. If you want your data permanently deleted, email us at rizwanrasheed046@gmail.com, and we will process the request within a reasonable timeframe.

Children's Privacy

Headshot AI Prompt is not designed for children under 13. We do not knowingly collect data from minors under this age. If you believe a child has provided personal information, please contact us immediately, and we will delete the data.

Security

We take your privacy seriously and implement administrative, technical, and physical safeguards to protect your information.

Ad Preferences

Headshot AI Prompt is offered as a free app and is supported through advertisements. Revenue generated from ads helps us cover development costs, maintain the service, and continue improving the App for users.

You may see either personalized ads (based on general app usage and device information) or non-personalized ads, depending on your device settings and your choices with ad providers such as Google.

Policy Updates

We may revise this Privacy Policy periodically. Updates will be posted on this page, and continued use of the App indicates your acceptance of those changes.

Effective Date: October 2, 2025

Consent

By using Headshot AI Prompt, you agree to the collection and use of information as outlined in this Privacy Policy.
