

Internship, Job Shadow, or Community Service Opportunity for OSHS Students

Internships:

Are you interested in any of the following for a possible career path.....

- Psychology
- special education
- occupational therapy
- working with children and/or adolescents with unique needs

If so, A Behavioral Approach has internships available. This is a great opportunity to gain experience **AND EARN YOUR CCR Credit!**

Job Shadow Day:

Spend a day with a professional in any of the above career areas at A Behavioral Approach and learn more about what they do in a real world setting. This also counts towards your CCR credit.

Volunteers

A Behavioral Approach is also in need of volunteers so if you need community service hours, and like working with young people, here is your chance! Please see Ms. Using or Mrs. Fawcett if interested in room 222. This may count towards your CCR credit.
