<tr><td>9.45</td><td>Independent Maths activity linked to the input.Today we are continuing to explore our numbers to 50 by comparing if numbers are bigger or smaller using our greater than, less than and equals to symbols.

Main Activity
Here is the Worksheet for today’s lesson
Here is the video for today’s lesson (you don’t need to watch the video if your child is feeling confident)
Here are the answers.

If you are not printing the sheet you can write any answers in your book.</td></tr>
</table>

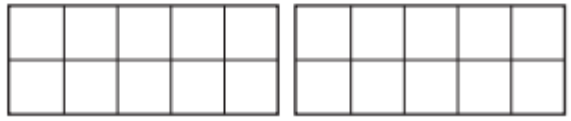

1 **a)** Draw counters to show the apples.

b) Draw counters to show the children.

c) Complete the sentences.

There are ☐ apples.

There are ☐ children.

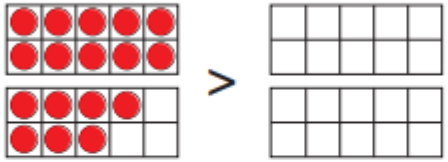

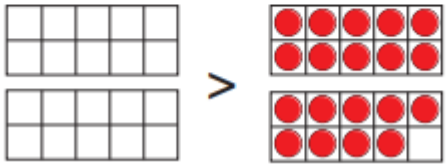

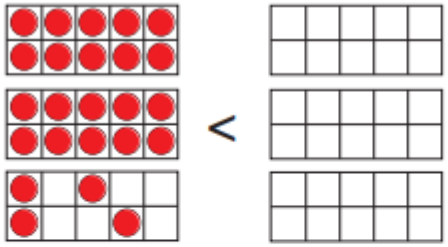

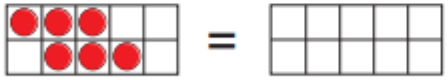

There are fewer _____ than _____

d)

All the children can have one apple.

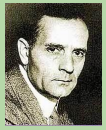

Is Teddy correct?

	2 Draw counters to make the statements true. a)  b)  c)  d)  Is there more than one answer for each?
Break and a snack	
For the rest of the morning:	Independent 20 minute English task: We would love to hear about your half term break, can you write some sentences telling us what you did? Maybe you went for a walk somewhere new or played a new game? Maybe you cooked something delicious or talked to a friend on the phone. Remember to try to write in sentences using finger spaces and full stops. If you would like to, you could draw a picture to go with your writing.

Materials and Their Properties

Watch this video. Click here. Your work for today is to find 3 objects around your house. You will use the worksheet to tell us what the object is, what it is made from (it might be more than one material) and use at least one adjective to describe your object. You can use this worksheet (click here) or into your green workbook.</td></tr>
