Get Organized

□ S	et or review your building schedule for administering the Spring Diagnostic. ☐ If you schedule multiple sessions students will close their tab or exit iReady once the testing session
	is over. They will reopen iReady and be able to continue with the assessment during the next session
☐ S	chedule time for teachers to review accuracy of class roster(s) and obtain student login information for
е	ach class (<u>Clever</u>). Contact Rebecca Berchenbriter if discrepancies are noticed
☐ S	hare the <u>iReady Diagnostic Proctoring Guidelines</u> document with teachers.
	lelp teachers gather paper, headphones, and pencils for their students. Students will need scratch paper
to	o solve problems on the Diagnostic for Mathematics
	Students are not allowed to use the physical manipulatives unless it shows up as a digital option and only that manipulative is able to be used. Please go over the <u>Physical Manipulative Guidelines</u> with teachers
	rganize students who use testing accommodations
	☐ Be sure to document student accommodations in your Testing Documentation spreadsheet
☐ S	et time aside for 2nd through 6th grade teachers to enable "Diagnostic Read Aloud" for EACH class
☐ S	et aside time on Monday before the window opens to hide the Diagnostic, if desired.
	☐ If hidden, teachers will need to <u>unhide the Diagnostic</u> for their students the day of testing
	onsider canceling the diagnostic for students on alternate assessment:
	\square Assess and teach \rightarrow Assessment \rightarrow Cancel Current \rightarrow Students \rightarrow select students
