1. Introduction

According to Rafiek (2021), Banjarese is a spoken language used by the Banjarese people in South Kalimantan which has also spread to various parts of Kalimantan Island. Kawi (2002) supports ....

There are three morphological processes, which are affixation, reduplication, and compounding (Durasid & Kawi, 1978; Hapip, Kawi & Noor, 1981; Suryadikara, Durasid & Ibrahim, 1984 References in alpha order)

This study examines the factors influencing Filipino students' choices to pursue education in English-speaking countries. Furthermore, this study seeks to answer the following research questions:

(i) What are the factors ...?

(ii) What are the strategies ...?

(iii) How should ...?

2. Literature Review

Uzbanczyk (2017) has divided partial reduplication into two types: (1) foot-sized reduplication and (2) syllable-sized reduplication.

As shown in Figure 1 ....

For many Filipino migrants, the family unit remains a key source of support and social connection. As one participant shared:

> "When there are no classes at school nor is there a shift at my workplace, I prefer to be with my family and go to the park with them,"

On the other hand, for the remaining two-thirds of the participants, this study abroad program is their first exposure to cultures other than their own ....

5. Conclusion

This study highlights ....

This approach creates ....
