Online Safe Environment Training

Thank you so much for completing the required protocol training for all teachers, parent volunteers, and substitutes.

The Diocese of Lafayette-in-Indiana requires that all adult volunteers who work with children go through **online safe environment training**. Your role requires this training and a background check.

To complete the training, please follow **ALL** the steps below:

1) Go to the diocesan website, https://dol-in.org/online-safe-environment-training
2) Create a user profile
3) For your position, select "Parish-Volunteer"
4) Select "St Alphonsus Liguori Parish"
5) **Request a background check**
6) **Take the course *"Recognizing and Preventing Child Abuse***
7) Read the Code of Conduct, click *"I understand and agree"*, then submit

Once you request a background check, complete the course and agree to the Code of Conduct, you will see "**STOP**" on your screen. Your certificate will not be issued until the results of your background screening are reviewed. This process typically takes a few days.

Please download your certificate from *"Protecting God's Children in the 21st Century"* and email to : infosaaindy@gmail.com

Once the background check is cleared, the certificate will be issued directly to you via email. Your background check and training are good for 3 years.

Thank you again for completing this course and let us know if you have any questions!
