Note from Principal Rowland

The end of year is quickly approaching. We have end of year testing to be completed in the next few weeks. Please ensure your students are getting adequate rest and breakfast. 🍳🍳🍳

We also have many fun Seltice activities to look forward to.

Please visit the office **prior to end of year** field trips, talent show, and the family picnic to be scanned and have a name tag made. All visitors must go through our Raptor check. You'll just need your ID and will only need to complete this once for all end of year events. We will keep it in the office for you to access during your visits. As we move towards the end of the school year and next year, please let your child's teacher, or the office know if you do not plan on returning to us next school year.

And if you know any incoming kindergarteners, please share the [Kinder Pre-Registration Link](#). 😊

Assessment Change

Our State Reading Assessment is now called Amira, not Istation. Amira provides personalized, research-based reading support to help every child grow. Teachers will use insights from monthly Amira assessments to better understand each student's reading progress and to tailor instruction.

October 30th

There will be no Halloween Parade this year.

We invite you and your family to dress up after school and join us for a fun event.

Teachers will do a class activity time at the end of the day also.

Please keep an eye out for information from your student's teacher.

It's a great opportunity to try on those costumes, come visit your teachers and have some fun.

Counselor's Corner

Our wonderful Counselor Ms. Kelly Garrett needs some donations for our 'clothes closet'. We like to have clothes available for students who need a change of clothes. If your student accesses our available clothes, please wash and return them. 😊

It is also very helpful if you pack your students a change of clothes in their backpack. Especially, students in kindergarten and first grade.

If you are willing and able, **we could really use Girls and Boys pants and shorts. Our biggest need are size 5T and/or sizes 6-8.** Thank you in advance. ❤️

Fall 2025

The HALO Program is a ten-week intensive counseling program. The program offered in the fall of 2025 will be targeted for children ages 8-12 and is available for 6 children/families at a time. The program is divided into three categories: Trauma Education Classes (TEC), Kids Club, and Family Therapy sessions. All together families receive 50 hours of therapy during the 10 weeks (20 of group for parents, 20 of group for the children, and 10 hours for each individual family together).

TEC Classes
Classes are limited to 12 caregivers and each class is 2 hours in duration. Classes teach connecting, empowering, and correcting principles of TBRI through experiential exercises, group discussion, and role play. TEC is facilitated by a licensed therapist.

Kids Club
This occurs at the same time as TEC classes and each child is paired with a TBRI trained one-on-one buddy to support their emotion regulation and skill building. The activities in kids club are designed to teach feeling expression, emotion regulation, and life value terms associated with TBRI. This club is led by a licensed clinician.

Family Therapy Sessions
Sessions focus on teaching connection through child-led play using TBRI principles and role play of skills learned in TEC and Kids Club. Trauma processing through use of storytelling, play therapy, and life books is also included. Therapists draw on their training in a variety of modalities, including Internal Family Systems, and EMDR.

Mondays, 6-8 pm
October 6 - December 15
Family Therapy Sessions scheduled individually
Fully Funded - Free to Participate

Note from Principal Rowland

Welcome new Seltice families! Welcome back to our returning families. We are off to a great start for the **SY25-26** school year. We have worked together this week to establish what it means to be a Chief at Seltice. Please visit the **"filing cabinet"** to read detailed information about our school expectations and our routines. They will be helpful for both returning and new students.

Starting Monday, we are asking if parents drop off students at the front or drop off area and not walk them down to their class. This will give teachers their time to prep and out to duties if needed. Please reach out if your child needs more time or support to adjust and find their way. Our kinders sometimes do. ❤️ 😊

Afternoon Pick-Up

Afternoon Pick Up (3:30 for kindergarten, 3:40 for grades 1-5)

- The west end parking lot (that runs north/south on Chase) is the parent pick up area.
- Pull up to the sidewalk as far forward towards 12th street as possible. You may wait there until dismissal at 3:40. Please have your child enter the car on the right side of the vehicle and proceed out of the north end of the parking lot.
- If you'd like to walk up to the building to pick up, please park in a *designated parking spot* in the lot, or on 12th street next to the playground and walk on the sidewalk. *Do not leave your vehicle next to the curb parked and unattended.*
- The front parking lot is for staff and visitors, *not for pick up* unless students leave during the duration of the day for appointments or early dismissal.
