East Hills Christian School Pensacola Custom Workshop
Workshop Date: October 14, 2019

Vicki Anderson is an Instructional Technology Coach for the Scottsdale Unified School District, an Academic Associate at Arizona State University, and a former English teacher. Vicki earned her Master of Education in Educational Technology from Arizona State University and became a Google for Education Certified Trainer and G Suite Administrator. She specializes in digital literacy, technology integration, and innovation in teaching and learning.

PD Title: *Technology and G Suite Integration for Student Learning*
With so many free Google tools, access to devices, and many web resources, there are now endless learning possibilities. But figuring out where to start and what the learning looks like can be a big challenge. During this hands-on workshop, you will learn how to create units of study that give students voice, choice, and the opportunity to develop 21st century skills.
Objectives

1. *To become familiar with how to use Google tools in the Education space*
2. *Design interactive activities that incorporate the use of Google tools for creating a collaborative, student-centered learning environment*
3. *Learn advanced setting and tips for better managing your Google environment*

Agenda:

8:30-11:30 - This session is intended for K-12 educators with beginning Google Drive and Classroom skills. We'll begin the day exploring Drive and Chrome with a focus on functionality, including accessibility features. We'll continue the day with an in-depth look at Google Classroom and several lesson ideas that highlight its features.

12:30-3:30 - Advanced features of G Suite including Classroom and Forms/Quizzes feature. Lesson ideas for core G Suite apps and uses for Google Sites.

Short URL for Presentation: bit.ly/ReconAZ

Main Focus	
Introductions	**What are we doing today?** **Parking Lot - What do you hope to learn?** **Introductions**
Focus Areas	**Discussion of SAMR & Pedagogy** **Chromebooks** **Accessibility Tools** **Chrome Settings** **Google Drive & Docs (AM)** **Classroom** **Forms & Sites (PM)** **Lesson Ideas** **Exit Ticket** **Evaluation**
Content Tools to Explore	
Writing Projects	**Collaboration and Feedback for Student Writing:** ● **The writing process in Google Classroom** ● **Explore** ● **Google Keep & Docs** ● **Applied Digital Skills** **More to explore:** ● **Read & Write** ● **Kaizena** ● **Checkmark**
Video Creation	**Screencast** ● **Screencastify** ● **YouTube** **Create: Your own screencast!**
Projects	
Portfolios & Groups	**Digital Portfolios and Group Projects:** ● **Google Sites** ● **Google Slides** **More to explore:** ● **Google Forms** ● **Interactive Slides** ● **Blogger** **Create: Your own Digital Portfolio Template or a Class Website**
HyperDocs	

Hyperdocs?	**Docs: Table, Hyperdoc, Insert Image, Change color in table** **Explore, Explain, Apply** **Exploration** **Create: For a first unit introduction**

Try It Later!	
If time allows (or when you're ready for something new), try these out!	**Voice & Choice:** ● **[Flipgrid](#)** ● **[Adobe Spark](#)** ● **[Canva](#)** ● **Padlet** **Create: A back to school flyer or Flipgrid prompt** **Student Response Ideas:** ● **Socrative** ● **Edpuzzle** ● **Mentimeter** ● **Kahoot!** **Create: Choose one and create a project for one of your first units**
