

Dear MRE Families,

As part of our Holiday Community Service Project at Mid Rivers Elementary, we are collecting items for children and their families who are in need this holiday season. Some of the items we will be collecting include the following: children's games, toys, clothing items, toiletry items, and household items.

By filling out the permission form linked below, you are agreeing to allow your child to choose an ornament from the MRE Giving Tree, and agreeing to assist your child in purchasing the item listed on the ornament. We ask that all items are brought to MRE and placed under the Giving Tree in the main office, with the ornament tag attached, no later than Wednesday, December 17th. A perfect time to do this would be during our Evening with Santa on Tuesday, December 16th!

If you choose to participate, please fill out the attached digital form by Friday, November 21th. Students will be choosing ornaments on November 24th and 25th.

If you and your child are able to assist us this holiday season, we would greatly appreciate it. However, if your family is unable to do so, we certainly understand.

If you have any questions, please contact Mrs. DuBois at 636-474-3611.
