

**** RAFFLE OVER THANKS FOR PLAYING ****

****GRAND PRIZES****

1. a jade pendant engraved with a tree-shaped design

SPECIAL SIMU-STORE JUMP JEWELRY. NOT USED. FULLY CHARGED

*Donated to the Winter Raffle by Emerald Knight Calde Marveen

2. a crimson leather mask set with a mohawk fashioned from iron spikes.

BARBARIAN ROAR MASK! UNCOMMON ITEM!

*Donated to the Winter Raffle by Tavern Trouper Kyarie.

****OTHER PRIZES****

1. a witch ball

The glass witch balls have shiny surfaces that insure good luck by warding off evil spirits, confusing them with their own images seen in the mirror-like glass. You recall the old advice that you can give witch balls away to those you wish good fortune, but you must never sell them, as you will be selling your luck as well.

I WAS TOLD IT WAS BAD TO SELL THESE, NOBODY EVER SAID ANYTHING ABOUT RAFFLING ONE AWAY! RUMORED TO IMPROVE YOUR LUCK.

2. a shadow-hued broadcloth assassin's backpack

The deep, rich grey fabric forms a sturdy bag. Rawhide ties dyed the same color as the cloth dangle from the top flap.

"QUEST BOSS" UNCOMMON DROP! VERY VERBY!

3. a serrated-edged scimitar with a dragonwood hilt

Engraved along the edge of the blade, a serpentine dragon slinks from the dragonwood hilt to the razor sharp tip, winding from edge to edge.

A serrated-edged scimitar with a dragonwood hilt is a medium edged melee-ranged weapon.

A serrated-edged scimitar with a dragonwood hilt trains the small edged skill.

You are certain that it could do:

- poor puncture damage
- moderate slice damage
- low impact damage
- no fire damage
- no cold damage
- no electric damage

The serrated-edged scimitar is dismally designed for improving the force of your attacks.

You are certain that the scimitar is fairly balanced and is decently suited to gaining extra attack power from your strength.

You are certain that the serrated-edged scimitar is marginally vulnerable to damage, and is in pristine condition.

The serrated-edged scimitar is made with metal.

The serrated-edged scimitar feels light.

You are certain that the serrated-edged scimitar is worth exactly 93750 kronars.

NICE SCIMITAR? OR, NICE ALTERATION FODDER? YOU DECIDE!

4. a braided leather weapon harness fitted with cambrinth-inlaid steel rivets

Dyed an unassuming grey, the harness is a collection of straps, loops, and buckles held together by steel rivets. Atop each rivet is a single cambrinth stone that has been honed to a point. Embossed along the supporting straps of the harness are silver runes in an unknown language, accented with a large emerald meticulously cut into the shape of a dragon's head.

WARRIOR MAGE MERCHANT ITEM!

5. a large soldier's supply sack reinforced with steel-studded leather strips(w/Contents)

-a steel-studded leather wristcuff

-a steel-studded leather belt

Tiny pouches hang between the steel studs on the wide leather belt.

-some steel-toed marching boots

COMPLETE ORIGINAL CONTENTS!

6. a tiny tyrium bar

YES, TYRIUM. NEED I SAY MORE?

7. a ventilated togball case (w/Togball)

-a standard practice togball

LARGE CAPACITY CONTAINER. UNCOMMON ITEM. VERBY TOGBALL!

8. a polished leather raekhlo

HOLDS TWO WEAPONS VISIBLE ON YOUR INVENTORY. UNCOMMON.

9. a polished leather morawen

HOLDS TWO WEAPONS VISIBLE ON YOUR INVENTORY. UNCOMMON.

10. a nightsilk offering pouch clasped with a thirteen-point star (w/Contents)

-a battered silver thirteen-pointed star on a dirty silk ribbon

-a polished ebony wood shaper inlaid with a trio of gold thirteen-point stars

-a piece of black flint

-a ritual carving knife with a polished ebony handle

-a platinum-banded leather belt etched with thirteen symbols

11. an onyx-dusted cambrinth orb etched with the sinuous semblance of an adder on the hunt

LARGE CAPACITY CAMBRINTH!

12. a soot-black silk monk's robe embroidered with reddish vela'tohr bloodvines
The toxic crimson vines of the flesh-eating plant have been depicted amid its serriform thorns upon the black silk.

13. an ash-grey angora monk's robe belted with red-scaled leather
The leather strip belting the downy grey wool has been tanned to preserve the metallic hue of the coin-sized scales.

14. some ghastly jawless skulls

ONE OF DARSAM'S ORIGINAL FLOATING ITEMS.

15. a black leather split-strap sword belt with silver inlays

VERY VERBY! OLD EDWORD'S ITEM.

16. a blue leather backpack embossed with an emblem of a rising moon

- a pair of well-polished deep blue leather boots embossed with the image of a rising moon
- a crescent-shaped Xibar-blue half mask trimmed in glistening crushed crystals
- a fine deep blue linen shirt with silver cufflinks and studs
- a pair of deep blue formal trousers trimmed with satin bands down the legs

COMPLETE OUTFIT, PERFECT FOR ALL YOUR PARTIES/BALLS/GATHERINGS!

17. some muted black battle leathers branded with a silver wolf

VERY OLD ITEM. UNCOMMON IN TODAY'S MARKET.

18. an olive leather backpack embroidered with a golden wolverine

- a savage-looking carved asketine wolverine pendant
- a hammered silver torque capped with banded jade
- a polished silver ring set with an onyx in the shape of a wolverine
- an ornamental silver armband inlaid with banded jade wolverines
- a forest-green leather war kilt tooled with Kuniyo's wolverine
- a sable leather belt painted with the image of a snarling wolverine
- a silver armband inlaid with a cambrinth wolverine
- a pale horsehide carving case with a wolverine clasp of snowflake obsidian
 - a parchment wolverine primer
 - a clear glass bottle enameled with a glossy brown wolverine masked in silver
 - a slim carving knife with a hilt wrapped in strips of horsehide
 - an obsidian wood shaper with a black oak grip wrapped in horsehide

WOLVERINE COLLECTION, PART OF THE QUEST PRIZE PACKAGE WITH SOME EXTRAS.

19. some silvered chain woven over the heart with steelsilk links forming a white dove bearing a broken sword

FESTIVAL CHAIN FROM ELAHKTI'S METAL ARTS

20. a polished belt frog

HOLDS TWO WEAPONS VISIBLE ON YOUR INVENTORY. UNCOMMON.

21. a black short bow carved into the shape of a stylized dolphin

The short bow is carved from a resilient black coral that has been rubbed to a smooth finish.

A black short bow carved into the shape of a stylized dolphin is a short bow type weapon.

A black short bow carved into the shape of a stylized dolphin trains the bow skill.

The short bow is extremely well designed for improving the force of your attacks.

You estimate that the bow is soundly balanced and is inadequately suited to gaining extra attack power from your strength.

You are certain that the short bow is appreciably susceptible to damage, and is in pristine condition.

It appears that the short bow can be slung over one shoulder.

The short bow feels pretty light.

You are certain that the short bow is worth exactly 100375 kronars.

22. a hip pouch of plum Elothean silk

Embroidered on the front is a symmetrical lotus in midnight spidersilk. On the sides and back are a beautifully detailed running horse, a stylized swan and a lion and laurel leaf silhouette described in silver spidersilk. The tightly braided antelope hide drawstrings bear a scintillating crystal. A small pin depicts a dragon soaring above a worn mountain range.

- a delicate pink erythrite runestone

- a delicate pink erythrite runestone

- a delicate pink erythrite runestone

MAYBE NEXT TIME YOU DON'T HAVE TO GWETH FOR A CLERIC, HUH?

23. a bejeweled silver scepter

A faint seam is visible along the length of the silver scepter. Peering inside you notice the subtle glimmer of serrated metal.

A bejeweled silver scepter is a light blunt melee-ranged weapon.

A bejeweled silver scepter trains the small blunt skill.

You are certain that it could do:

- no puncture damage

- no slice damage

- somewhat moderate impact damage

- no fire damage

- no cold damage

- no electric damage

The silver scepter is poorly designed for improving the force of your attacks.

You are certain that the scepter is inadequately balanced and is decently suited to gaining extra attack power from your strength.

You are certain that the silver scepter is of average construction, and is in pristine condition.

The silver scepter is made with metal.

The silver scepter feels light.

You are certain that the silver scepter is worth exactly 287500 kronars.

TURN

You carefully coax the serrated blade out of the scepter, extending its fearsome edge to its full length.

- a bejeweled silver knife

The silver knife is constructed of a long, serrated blade attached to the end of an elongated pipe-like pommel.

A bejeweled silver knife is a light edged melee-ranged weapon.

A bejeweled silver knife trains the small edged skill.

You are certain that it could do:

dismal puncture damage

fair slice damage

fair impact damage

no fire damage

no cold damage

no electric damage

The silver knife is dismally designed for improving the force of your attacks.

You are certain that the knife is dismally balanced and is reasonably suited to gaining extra attack power from your strength.

You are certain that the silver knife is of average construction, and is in pristine condition.

The silver knife is made with metal.

The silver knife feels light.

You are certain that the silver knife is worth exactly 287500 kronars.

WONDERFUL DUAL-WEAPON. SMALL EDGE AND SMALL BLUNT.

24. a wide platinum wedding band shaped like a pair of clasped hands cradling a blood-red ruby
BONDING WEDDING BAND. ATTACHES TO THE PERSON YOU GIVE IT TO.

25. a silver spidersilk haversack clasped with a platinum tower shield
Lined with light gold cendal fabric, the haversack offers protection from the elements to the contents within. Set into the haversack is a polished silver plate bearing the crest of the Paladins' Guild.

26. an ebony silk instrument case embroidered with blood-red iera flowers
Bright ruby shards scattered across the lustrous silk lend a lifelike appearance to the exquisitely embroidered flowers.

AMAZING LITTLE CASE FROM THE GREATLY MISSED BARDIC BARGE!

27. a black canvas sack

-some steelsilk handwraps

The sturdy wrappings are tough but comfortable enough to hold securely through a lengthy battle. Slender steel weights hidden within the layers of silk add heft to the wearer's blows.

-some steelsilk footwraps

The sturdy wrappings are tough but comfortable enough to hold securely through a lengthy battle. Steel toecaps hidden under the layers of silk add heft to the wearer's blows.

GREAT SET OF BRAWLING GEAR. ADD SOME EXTRA OOMPH TO THAT NEXT HIT!

28. a thick leather sporran with dangling white fox tails

A silver knot clasp adorns the front of the sporran, simply done so as not to take away from the natural beauty of the tails.

WHITE FOX! OH MY! KEEP IT OR USE IT THE NEXT TIME A MERCHANT SWINGS BY!

29. a twisted gold ankle cuff clasped with an intricately etched cambrinth flagon

Finely forged gold twists into a continuous rope to snugly surround the wearer's ankle. Polished cambrinth, carved into the shape of a flagon enhanced with sparkling white diamonds, adorns the secure clasp.

30. a wooden oak cask

This top quality keg is banded with three blackened steel rings and is lined with paraffin.

Naturally aged to give it a smoother surface, the oak staves have been left their natural color and are non-charred. Shaped to resemble a miniature barrel, the cask is neatly set with a bung in the side for filling, and has a spigot hole that is perfectly sealed with resin around the edges.

NEXT TIME YOU GET TO BRING YOUR OWN DRINK! OR STEAL SOME OF THEIRS!

31. a flat-black sword with a deadly sharp blade

Cut out along the blackened, double-edged blade are deeply angled notches, which form a wicked serration along the keen edges while the crescent quillions, crafted to resemble thick spider legs, help protect the wielder during battle. Counter-balanced at the pommel is the cast image of an elongated spider, the intricate craftsmanship depicting the creature down to the smallest details.

A flat-black sword with a deadly sharp blade is a light edged melee-ranged weapon.

A flat-black sword with a deadly sharp blade trains the small edged skill.

You are certain that it could do:

dismal puncture damage

somewhat moderate slice damage

somewhat moderate impact damage

no fire damage

no cold damage

no electric damage

The flat-black sword is dismally designed for improving the force of your attacks.

You are certain that the sword is poorly balanced and is reasonably suited to gaining extra attack power from your strength.

You are certain that the flat-black sword is appreciably susceptible to damage, and is in pristine condition.

The flat-black sword is made with metal.

The flat-black sword feels light.

You are certain that the flat-black sword is worth exactly 161237 kronars.

32. a black nightsilk scavenger's rucksack

Leather bands for strapping gear are attached to the rucksack. The bands are cinched flat against the pack, ready for use.

AWESOME STRAPS FOR SUPER HUGE ITEMS! HOLDS TWO!

33. an articulated platinum ring

This exquisite platinum ring is made with a polished crystal surface on which sits a delicate platinum disk. Upon the disk are tiny fragments of steel which are held together by some magical property. The fragments are currently clumped in a heap.

IMMOKODAN RING! SEVERAL VERBS AND BONDS TO THE OWNER!

34. a warm red wool sweater

BECAUSE IT'S A WINTER RAFFLE!
