Kami for Students
Account Activation

The instructions below will guide you in activating your Kami Account and pinning the extension beside your omnibar.

Click on the ***puzzle icon*** to access your Extensions.	
If the pin beside Kami is grey and white, click it to turn it blue. The blue pin indicates that Kami will be visible beside your Omnibar.	
Click the Kami icon to the right of the Omnibar.	
Select ***Continue with Google.***	
Enter your ***@myplace.wcs.edu email address***, then select ***Next.***	

#WCSEdTech

On the WCS login page, enter your @wcs.edu account address, then select ***Next.***	
Enter your network password, then select ***Sign in.***	
Carefully read the information in the pop-up box and select ***Continue.***	
Carefully read the information in the pop-up box and select ***Allow.***
