

/r/miamidolphins Rules

These rules were based off of /r/nfl's rules and guidelines, and modified for our subreddit.

If you see anyone breaking these rules, please report them, and send us a message explaining why. The latter helps us react faster, and better understand why something has been reported. Use [this link](#) to send us a message, rather than messaging an individual mod.

The following submissions/posts will be removed:

- **Image Macros/Memes**
- **Fuck the Jets (or other circlejerk) Threads** - Everyone loves a good FTJ every once in awhile, but it became way out of hand last year and a good way to karma-whore. We'll probably make an exception before Jet games. [/r/DolphinsCircleJerk is this way](#)
- **Non-official Post Game Threads** - We've had issues immediately after every game of the subreddit getting spammed with either "FIRE <Insert Person Here>", or "WE'RE THE BEST TEAM EVER", depending on the outcome of the game. It cluttered the front page. We'll be removing all of those threads and creating a Post-Game thread where you can feel free to rant/circlejerk all you want. **This is not saying all post-game discussion threads will be removed, just those impulse emotional posts directly after a win/loss.**
- **Duplicates** - Please check if a story has already been posted before submitting. If you have links that add new information, please add them as comments in the original thread. This also applies to other varieties of duplicates, such as self post questions that are overly similar.
- **Blog Spam**- It can be somewhat subjective of what constitutes as blog spam, but it will be up to the discretion of the mods if it should be removed.

General rules

Do

- **Follow Reddiquette** - When posting/voting.
- **Please do provide informative comments that add to the discussion** - Jokes are often worth a laugh, but also often distract from actual discussion, so try to use them sparingly.

- **Report comments and posts** - Please report any comment or post that does not adhere to posting guidelines.

Do not

- **Post personal attacks, fanbase attacks, insults, slurs, or flamebait.** - Offending posts will be removed.
- **Downvote relevant opinions** - Absolutely do not downvote someone because you disagree with them or because you don't like their flair. Vote on posts based on their intellectual merit and whether or not they positively contribute to the discussion, not whether or not you agree with the user who wrote it.
