

## SCAPA Lafayette

### Thinking About Changing Your Major?

Every year we have a few students who discover an interest in a SCAPA arts area other than their current major. The following is the procedure for changing your major at SCAPA Lafayette.

- Any student who is currently enrolled in SCAPA may apply for a Change of Major.
- All major change auditions will attempt to take place within 10 days of submission of the major change application and, if approved, ***will go into effect for the next school year.***
- ***No major changes will be granted during the school year.***
- Major Change forms are available from Ryan Marsh beginning January 15.
- ***The due date for all Major Change Applications is March 1. (NO EXCEPTIONS OR EXTENSIONS!!!)***
- Students may select only one area in which to audition for a major change.
- Once the Major Change form is returned, you will be contacted by the appropriate Arts Teacher. At that time, you will schedule the Major Change audition with the specific teacher according to a time and date that is convenient to all parties.
- After the Major Change audition takes place, you will receive written notification as to the outcome (Approved or Not Approved).
- If your Major Change is APPROVED, your counselor will be notified so that they can make the appropriate changes to your schedule. If your Major Change is NOT APPROVED, then you will remain in your current arts major for the upcoming school year.
- Consult the audition requirements for your requested major change. All major change auditions will take place in person.
