

PowerSchool Student Fees Payments

Login to your **MyPowerHub Parent** (PowerSchool Parent Portal) account at pennsbury.guardian.powerschool.com from a **web browser** (Chrome, Safari) using the username and password that you created. You will need to be **logged into PowerSchool** as the parent and not the student. Students do not have access to pay fees.

Please note: Fees are located under Resources in MyPowerHub or Balance in PowerSchool Parent Portal

	Select Resources and then Student Fees from the left navigation.
	Your student's Fee Transactions and balance will be displayed. Click on the green Make a Payment button to submit your payment.
	You will be taken into our secure online store. Click on Add to Cart for each of the fees you are paying.
	Once all fees have been added to your cart, select Checkout

	Enter your RevTrak/Vanco email and password to Log in to the WebStore (existing users) or select Create an Account.
	Select Use Credit/Debit or Use eCheck (shown), enter your payment information and submit payment.
	You will receive a confirmation screen with the option to print a receipt, and an email verifying your payment will be sent to your WebStore email address.

If you are having difficulty logging into PowerSchool, please contact the appropriate person at your student's school:

High School and Middle Schools - Guidance Office
Elementary Schools - School's Main Office

If you are having difficulty with a payment, please email
ChromebookPaymentQuestions@pennsburyisd.org
