The State Library and Archives is the site of the Vietnam War Memorial to Kentucky soldiers who died in Vietnam. We ask your athletes and fans to respect that memorial as well as keeping them out of the State Library and Archives. That is one condition for our continued use of the facility.

We will have T-shirts for sale as well as concessions. Porta-toilets will be located to the rear of the Archives this year. Please note that we have a new agreement with the Kentucky Division of State Properties concerning parking. In order to make things safer as well as accommodating visitors to the Vietnam Memorial, **there is no parking allowed in the Memorial parking lot.** Cars and busses will be parked in behind the Archives. Overflow will be in the fields along Coffeetree Road. **NOTE NOT RIGHT ALONG THE ROAD.** Please inform parents we will have parking in a large field on the left as they come up Coffeetree Road. In the past many have parked along the road and as a result latecomers saw the cars on the side and they decided to park out on Route 676 when there was plenty of room in our parking areas. We will send out maps detailing parking as the event nears.

Directions: I-64 from the east, take Exit 58 Route 60, turn right toward Frankfort, go 1 mile, turn left on Route 676.

Follow signs to the Vietnam Memorial.

I-64 from the west, Exit 53B Route 127 toward Frankfort, Go one mile, turn right on Route 676, follow signs to Vietnam Memorial
