

AN INVITATION TO STEP INTO YOUR PERSONAL SOVEREIGNTY

AS A NATIVE BORN IN CANADA AND A NATURALIZED CITIZEN OF THE LAND

BECOME A MEMBER OF THE KAWATHA FIRST NATION TRIBE

SO WE CAN HELP EACH OTHER

Hi folks, it's Gordon here in charge of the "tribal cards" -

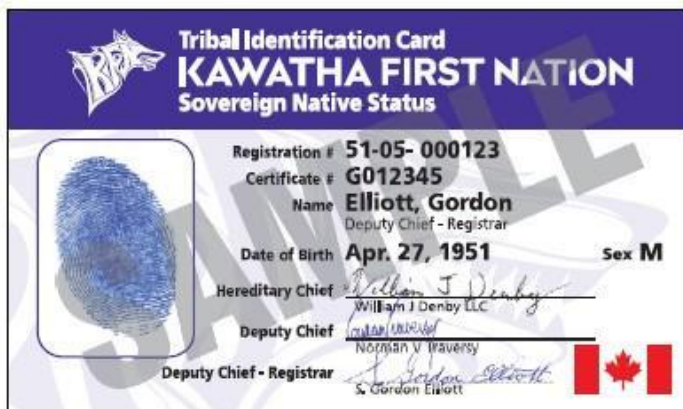

I need photos of your Government issued birth certificates front and back. You only need to include the back if there is a number on it. Please provide your mailing address so I can mail you your cards.

Send all the above info by email to: sgg.elliott@gmail.com

Card cost is currently \$25.00 each, plus a \$10 administration fee, total \$35, no taxes (subject to change without notice).

Preferred payment by etransfer to the above email address. Cash or credit cards also accepted.

Here's a picture of what your cards will look like, front and back:

Why are we encouraging these tribal cards?

1. Your current Canadian birth certificate is owned by the Government
2. The card identifies you as a true sovereign individual not subject to any master except God your Creator.
3. You are born a free natural person and this "tribal card" is proof that you are in fact a "native" of this land.
4. You are now a member of a "Sovereign Tribe." **Your card has no expiry date.**
5. It helps us join forces and helps create community in order to provoke positive changes for good.

6. The more people have these cards, the more power we have to carry socio-political clout and effectuate changes to the system.
7. It can be used for the American "form 1099" for the recovery of your Birth Trust Bonds (BTBs) held in the USA - which is a fund attached to your name that you should have access to.
8. The cards have been tested successfully at Canadian Tire, Walmart, and some retailers.
9. It lends credence to the fact that we will no longer subscribe to the World Economic System, but we are looking to operate outside of it as free, natural, and native citizens of the land.
10. It makes a statement that our tax status towards the existing Canadian system is "exempt."
11. We are not a Colonial Tribe but a "Sovereign Tribe" with land rights & self-Governance under the United Nations UNDRIP regulations.

IMPORTANT INFORMATION ON CARD USE:

- [1] They are non transferrable.
- [2] Prior to purchase, ask if they accept Status cards.
- [3] You may be asked to present other ID as proof.
- [4] At this time the Deputy Chiefs and Tribal Council Members will screen applicants prior to ordering the cards.

Here are links to three prophecies about CANADA to encourage you:

*Billy Graham in 1978:
with Canada's spiritual
heritage, it's called to
LEAD THE WORLD!*

*Jane Hamon on July 11,
2025: God will make
Canada a Blessing for
the Nations!*

*Barry Wunsch: "Canada
will not be saved by
politics," starting at the 8
minute mark:*

Each of the above prophecies are divine appointments. ***What is the definition of a divine appointment?***

Answer: WHEN GOD SHOWS UP! 😊🔥

Be encouraged! Better times are coming. God is starting to show up by bringing down the world system using a "death by a thousand cuts" strategy. WE all have to do our part.

Welcome to the Sovereign Kawatha First Nation Tribe!

Thank you for your attention to this matter! 😂😂
