
Terms Of Service

Please read before purchasing:

-Paypal only.

-Must **pay using "friends and family" option**. Please respect that and do not try to change my mind on the matter, it will not happen.

-If you have seen no updates or had contact with me 2 weeks after purchasing, you may note me about it. **Do not spam me with multiple notes** because you think I ignored the first one. You will be immediately refunded and blacklisted if you are for any reason rude and persistent. I am not a scammer, please have enough trust in me.

-Please mind that there is a queue and you're most likely not at the top of it.

-If not started 3 weeks after payment, you may ask for a refund to be issued. Your refund will be given with no questions asked.

-If commission/YCH has been started after 3 weeks of payment I insist you wait until it is done unless you genuinely don't like its progress/my work. I implore my commissioners to be patient. Art is not easily made in an hour, especially with me.

-Rudely asking/bugging for a refund without a probable cause will result in a Paypal dispute and you will be reported and blocked on FA. **Please be kind and be patient**. This does not mean I do not give refunds, but I am strongly against them unless you have a reason other than "It's been some time, now give me my money back." Keep that in mind when agreeing to these terms.

-For large pieces (with detailed backgrounds or multiple characters), I will provide WIPs when asked. This is the point in time that you should tell me what needs changed. Please do not ask me to change anything major when the product is nearly finished. Examples include: Changing of pose, changing of character, major background changes.

-Please **do not consistently ask for WIPs**. If my initial sketch needs changed, then so be it, but I will not send you two dozen works in progress. Trust in my judgement and that it will be completed.

-Once finished you will be noted the high-res file through my DeviantART Sta.sh.

-Once received you may re-post said art as long as credit is given to me.

-Note that I am not a rude individual unless provoked multiple times. I do not like drama and I am only here to do artwork for people quietly and with as little stress as possible. I will show you the same respect that you show me! ^w^
