SENECA HIGH SCHOOL
2026-2027 ATHLETIC REGISTRATION
ARBITER REGISTRATION

Dear Parents and Guardians,

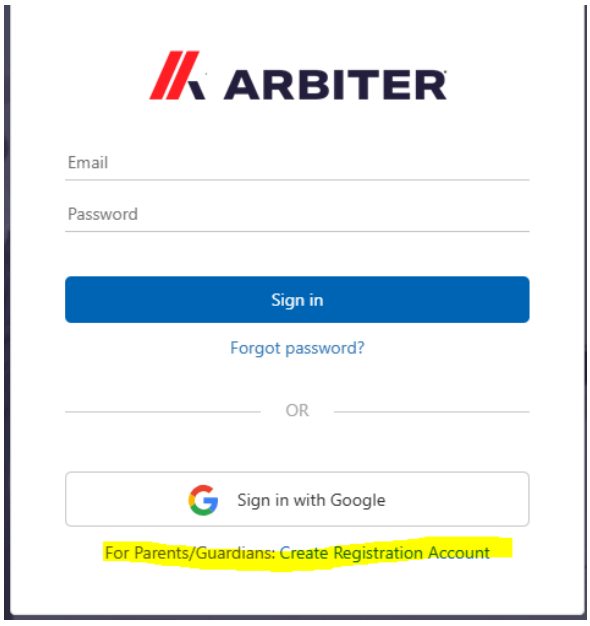

We are excited to announce that we now offer online registration through Arbiter Student Registration!

Arbiter Student Registration is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through Arbiter Student Registration, the system keeps track of your information in your profile. You enter your information only once for each family member for multiple uses and multiple programs.

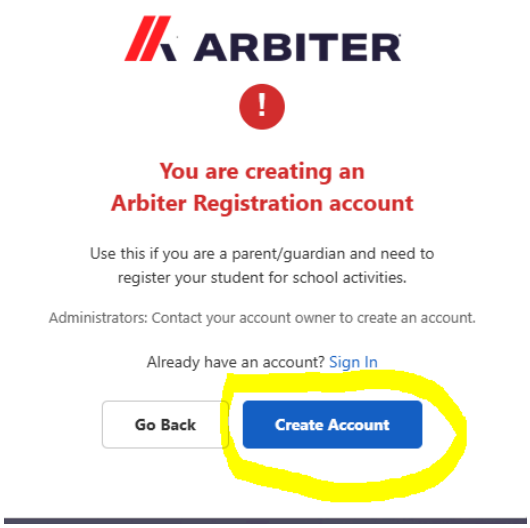

How do I create an Arbiter Student Registration account?
When creating your Arbiter Student Registration account, you will continue using the same login credentials every time you need to register your child for a new program.

Do not create duplicate accounts.
For example, if one parent creates the initial account, the other parent should not create a separate account for the same child. Maintaining a single account ensures all registration history and documentation remain organized and accessible in one place.

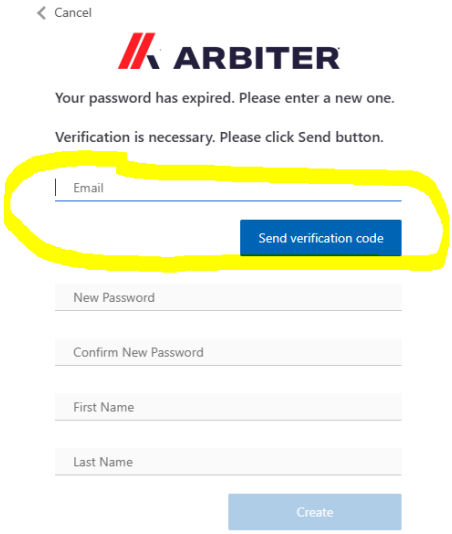

1. *Open* a web browser and go to **www.arbiter.io**
2. *Click* **Login**.
3. *Click* **For Families/Students**.
4. *Click* **For Parents/Guardians: Create Registration Account.**
