This is one of the two courses required to complete the Postgraduate Diploma in Learning Support. The other required course is Learning Support: Professional Inquiry (249732). If you are successful in winning a study award, you must complete both courses in 2026 or withdraw and forfeit the award.

Complete the following questions:

- **NAME:** _____
- **CONTACT EMAIL:** _____
- **CONTACT PHONE NUMBER:** _____

Respond to the three questions below (no more than 1.5 pages in total)

With reference to your study experience and key learnings from the Postgraduate Certificate in Learning Support, explain why you would like to continue your study journey in 2026.

A key aspect of the Year 2 Programme is a research-based professional inquiry into an issue relating to learning support. What issue might you inquire into? Why?

As part of the Supervision & Mentoring in Specialist Teaching (249 770) course, you may be invited to mentor new LSC. This could involve contributing to forum posts in the LSN and participating in panel webinars for the LSN. How would you feel about this opportunity?
