

Chair Challenge Form

This form indicates your interest in challenging a higher ranking chair within your band section. In order for the challenge to be successfully submitted, the challenger will fill out the form below and acquire the signature of the defendant (current higher-chaired student). **The defendant is required to sign the form when approached.** Please read the following for more details.

- All chair challenges will happen on Wednesdays.
- In the event that one student is gone from class on the Wednesday of the challenge, the challenge will be postponed by one week.
- Both participants will remain anonymous as they perform for the entire class.
- Both participants will decide together who will perform first, and the challenge will happen in a separate room (Mr. Carr's office, storage room, etc.).
- Students will be evaluated on tone quality, accurate notes, rhythms, articulations, and style.
- The class will vote on who had the better performance. In the event of a tie, Mr. Carr will make the final decision.
- When the chair challenge is issued and both students have signed the form, Mr. Carr will select material for both students to practice - concert music, pep band music, band packet music, etc.
